Food

Convenient

- Put out a poll on how people are feeling about the dorm there living in.

An area for anonymous people to send reviews in on how they are feeling about campus.

Make a social media platform for all the events going on that mainly caters for freshmen.

Have an app that can group all the improvements that we just listed, this ensures that everything can be in one place.
- More funding for clubs that are not as big as the known clubs.

Make more scholarships accessible for more students

Extended the time of the wellness/health center for people who get sick who can not get to any other service besides the one on campus.
- Have a get together in the residence hall that is mandatory to get people out there room, this will include (snacks, games, ice breakers and prizes)

Have competition between residence hall to intertwine the living communities even more

Every month have lunch outside of residence halls because it is good to have a good break from dining halls.

Give out free T-shirts that have the residence hall on the t-shirt.
- There should be a tutoring center for every main subject

There should be a place for studying outside surrounded by scenery.
- Add a local/retail store where college students can buy basic necessities

Improve the healthiness of at least one of the dining halls so students don't have to cram into freshgreenes to get a healthy meal.

Make dining halls close later
- Have more options for food

Reducing wait times for food, both for dining halls and retail places.

For holidays, there should be an event for people who can't go back home like Thanksgiving food
- Make a place inside buildings to drop off cardboard

Have all elevators functioning at all time.
